

Remarks

By this amendment, the specification has been updated to reflect prior related applications, to insert the abstract on a separate page, and to amend certain claims of the international application. In particular, claims 3, 5, 6, and 8 are rewritten to depend from a single claim. Also, claim 12 has been canceled and new claims 13-20 have been added.

If any issues remain to be discussed prior to examination, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
